## REPORT OF DIRECTOR AND SCHOOL IMPROVEMENT COUNCIL

Enoree Career and Technology Center is located in Northern Greenville County, just south of Travelers Rest. The center was built in 1973, and a four million dollar renovation was completed during the 2005 school year. Enoree Career and Technology Center serves students primarily from Berea High School, Carolina High School, Travelers Rest High School, and Wade Hampton High School; however, students from any Greenville County high school may elect to attend the center for specialized career development courses. Enoree Career Center is accredited through the Southern Association of Colleges and Schools (SACS).

Enoree Career and Technology Center was named "One of the Fifteen Most Improved Career Centers in the Nation" by the Career Centers That Work branch of the Southern Regional Educational Board.

The programs/ courses taught at Enoree include Automotive Collision Repair, Automotive Technology, Building and Construction, Gerontology, Medical Terminology, Health Science Technology, Cosmetology, Early Childhood, Emergency Responder, Pharmacy Tech, Law Enforcement, Graphic Arts, Fashion Merchandising, Career Development/ Rotation, Sports Medicine, and Web Page Design. Many of the courses taught at Enoree are dual-credit or have an articulation agreement in place with Greenville Tech.

Our Cosmetology students had a 100% success rate on the State Cosmetology Certification for the fifth straight year. Gerontology /Certified Nursing Assistant program had 100% success rate on their National Certification Exam. Building and Construction has received National Center for Construction Education and Research (NCCER) certification. Our Health Sciences department meets DHEC standards and the Certified Nursing Assistant program is certified by the State of South Carolina..

Enoree students have competed in state competitions and have represented the Center well. Several students placed in the top ten in the state in the Skills USA Competition in their area of training.

Every completer student received academic assistance by using the WIN Employment skills training software. Eighty Five percent of Enoree's second year CTE or senior year students received a WorkKeys Employment Skills Certificate.

Enoree offers single semester introduction courses in almost every program at the center. This change in scheduling, along with the staff's recruitment efforts, has resulted in a dramatic increase in enrollment over the past five years. Enoree maintains a great degree of flexibility in classes and curriculum in order to meet the needs of our students, their home base schools, and the community around us. Our goal is to prepare our students for the next step, whether it is entering the work force or continuing their education in a post-secondary environment.
